

ENGLAND - EAST COAST

BLYTH

ADMIRALTY CHART NO 1626

## NOTICE TO MARINERS NO. 5 OF 2012

### **Change to Inner West Pier Navigational Light**

As from Friday the 11<sup>th</sup> May the Inner West pier Port hand navigational light within Blyth Harbour has been altered from 2FL.(2)R.6s to 1FL.(1).R.6s on direction by Trinity House light house Authority (GLA).

The amendment to a single flash Port Hand Light on the Inner West pier will remain permanent unless directed otherwise by the appropriate authority.

This amendment has been brought to the notice of the UK Hydrographical Office; all mariners using the Port of Blyth are strongly advised to make the appropriate corrections to all navigational charts and publications in their use.

Further information and details will be available from the Blyth Port Control / Harbour Masters Office, VHF CH12 and 01670357020.
