

NOTICE TO MARINERS NO. 04 OF 2022 GENERAL NOTICE TO RIVER USERS

Port of Blyth – Replacing of the Port of Blyth Lead Lights with a Sector Light

Notice is hereby given that it is intended to permanently remove the Ports Main Lead Lights and replace with a bespoke high intensity Sector Light.

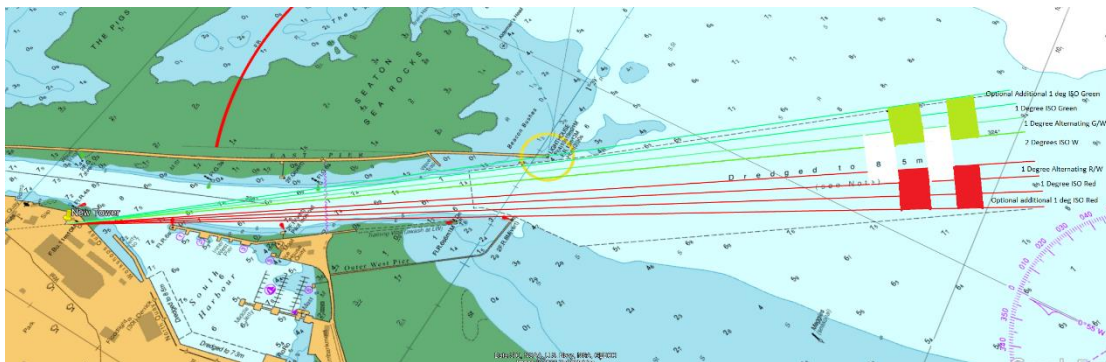

Prior to a final decision being made a period of consultation with all river users will be completed to assess any valid concerns or issues.

The period of consultation ends on 23 December 2022 and any persons wishing to comment shall contact the Harbour Master in writing before this date.

All correspondence should be sent to edwin.dick@portofblyth.co.uk under the subject title 'Sector Light Consultation'

The Sector light will consist of three colour tubes overlapping to create five sectors

- Green light Isophase (4sec)
- Alternating Green/White (4sec)
- White Light Isophase (4sec)
- Alternating Red/White light (4sec)
- Red light Isophase (4sec)

Further information can be obtained through the Harbour Masters Office at the Port of Blyth.
