NOTICE TO MARINERS NO. 08 OF 2024 GENERAL NOTICE TO VISITING VESSELS

Port of Blyth – Capital Dredge Operations

Commencing date expected Friday 15th November 2024 and continuing for a period of approximately 5 days a campaign of capital dredging to deepen the berth at Wimbourne Quay.

This will include frequent trips to and from the spoil deposit ground approximately 3 miles ENE of the harbour East Pier and south bound past the wind turbine array.

A map of the intended track to/from the spoil ground is attached. Fishing vessels are requested to avoid positioning any fishing gear within 100m of the route.

The works will be undertaken over a 12 hour period in line with the tides by the vessel 'Cherry Sand' with latest information regarding the areas being dredged available on VHF Channel 12 (Blyth Harbour Radio).

All vessels are required to monitor VHF Channel 12 and avoid impeding vessels engaged in dredging operations; commercial vessel arrivals and departures will be directed by Blyth Port control as required.

During the works the following craft will be engaged in operations:

Cherry Sand	Grab Dredger
Blyth Endeavour	Tug / Plough dredger

All dredging craft will display the lights and shapes as prescribed in the International Regulations for Preventing Collisions at Sea and when working will keep a listening watch on VHF Channel 12.
