## NOTICE TO MARINERS NO. 09-2026

### GENERAL NOTICE TO PORT USERS

#### Port Safety Induction & Operational Quayside Safety

All regular commercial visitors to the Port including regional vessel agents must undertake the short Port safety induction; this can be undertaken during office hours any time Monday – Friday or by arrangement with the Harbour Master / H&S Manager.

All persons reporting to vessels alongside or traversing operational quays are subject to PPE requirements, no vehicle parking is permitted in these areas, parking must be in authorised areas away from the quayside.

The Port of Blyth will not be held liable for those who do not undertake the required Port Safety Induction or those who do not comply with the Health & Safety policies and procedures in place to prevent unsafe operations.
