

NOTICE TO MARINERS NO. 03 OF 2023 GENERAL NOTICE TO RIVER USERS

Activation of Sector Lights on Approach to Blyth Harbour

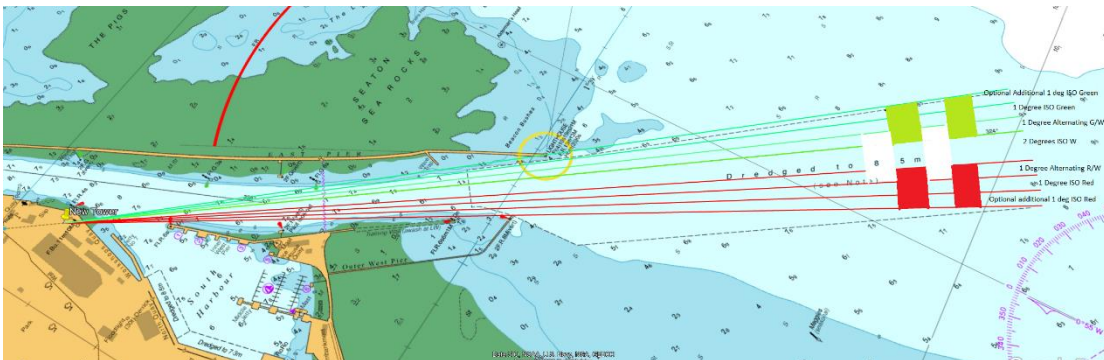

All Mariners, Fishermen and Harbour users are to be advised that the new installed high intensity sector light as mentioned in Notice to Mariners 04 of 2022 will now be activated

The sector lights and the leading lights will be operating in conjunction for a period of time to allow port users to adjust to the new aid to navigation.

After this adjustment period the upper leading light will be removed.

The Sector light consists of three colour tubes overlapping to create five sectors

- Green light Isophase (4sec)
- Alternating Green/White (4sec)
- White Light Isophase (4sec)
- Alternating Red/White light (4sec)
- Red light Isophase (4sec)

Please contact Blyth Port Control for the latest information:
